

Strawberry Hill Recreation Association proudly and proactively promotes good stewardship, family friendly facilities, and neighborly comradry in a safe and secure environment through various manners, of which the SHRA pool facilities is a part.

The following will apply in regard to pool facility entry and security:

SHRA has installed a secure gate locking mechanism along with a security key card reader, which may only be activated with an activated security key card. The secure gate may be activated by waving the key card within 3-1/2" proximity of the reader and is located to the left of the secure pool gate. The key card must be used when entering OR exiting this secure gate.

Each member (homeowner of record) of Strawberry Hill Recreation Association paid in full and in good standing as of the annual due date of homeowner assessment fees will be entitled to one (1) security pass key card for the pool entrance gate (or when all payments for assessments are made in full).

Each member paid in full and in good standing may, at their discretion, may request up to two (2) additional security pass key cards for a fee of \$20.00 each. These cards will be distributed on a first come, first serve basis and may only be used by an immediate family member living within the household.

Each member is responsible for their own key card. It is imperative that you know where your key card is at all times. A \$20 replacement fee will be incurred for ALL lost, stolen, or damaged key cards, regardless of the reason.

At the end of the pool season, your existing card(s) will be de-activated, then reactivated the next pool season, once all assessment payments are made in full. Any cards lost, stolen, or damaged will be de-activated and a \$20 replacement fee must be paid for replacement cards. Please notify us immediately of lost or stolen cards.

No person, under any circumstances, is to allow un-paid members or members not in good standing into the pool facility at any time. *The life guards on duty will NOT let persons into the facility.* If you forget your card, please go get it, or if lost, contact the person(s) in charge of key cards.

The pool gate will be securely locked before and after normal hours with additional methods, with no entry of any kind permitted, as in the past.

Homeowners with key cards that have been lost or stolen (de-activated) and subsequently found at a later date will receive a \$5.00 if returned to SHRA.

In the event you wish not to receive a key card, (such as in the event you do not anticipate using the pool facility), please inform us so we may use the unwanted cards as necessary.

We will use the cards year after year (you will always keep the same card as long as you are paid and in good standing), with the intention of replacing them only when necessary due to use and normal wear and tear. If, upon holding and using your card for three consecutive (3) years or longer, you wish a replacement, no charge will be associated with a new card upon forfeiture of the old card.

Please contact any current SHRA board member for questions.
