### Yard Sale

- We had 23 houses participate. Many compliments on the event.

The Board voted to have a Fall Yard Sale on Saturday, September 10<sup>th</sup>. Dave will head this up. A suggestion to have maps at the participating homes versus having them at the end of each street was discussed and approved.

### New Business

- Socialville-Foster Road Speed Limit - A resident emailed in a concern re: the speed which is posted and how fast people drive. They want to petition the township to lower the speed limit.
- Incoming Calls and Questions to the Board: The Board discussed the problem of a resident asking a volunteer Board member a specific question about a bylaw or an assessment and that Board member not being an expert on that specific subject or section.
- The Board agreed that a protocol needs to be established to answer resident questions accurately and completely. In the future, Board members will request that the question be put in writing so that it can be brought in front of the entire Board with the bylaws referenced. This will insure that the information provided as responses to questions are as accurate as possible.
