Pool Security Update

We have completed the initial round of pool monitoring to insure that only residents are using the facilities. Thanks to all for their cooperation.

Oops!!!

If you have not paid your annual fee yet, you will be subject to a late fee, in addition to leaving the association short in meeting its obligations. We always file liens on every home that does not remit payment to us in a timely manner. The homeowner will also be required to pay fees for the lien as well. Contact Teresa Klum immediately if you have not completed your payment.

RENT THE CLUBHOUSE

Message from the President

Tennis anyone?

Well, I'm not a tennis player either, but I do know that having two full sized courts in our recreation area adds value to the site and to our homes. Unfortunately, when we toured the courts in May we were disappointed to find that the winter was not kind to them. For several years we have been patching the same cracks over and again. Several years ago, we patched and painted the entire area, and it looked good for a while. Currently the courts have several big cracks and miscellaneous other damage. As a result, the board of trustees has determined that the courts will be the next high priority capital repair item when the money is available.

We anticipate rewriting the ten year capital improvement plan to provide money in 2007 to make a major effort to restore the courts, and to defer other planned expenditures until 2009.

We have two more years of payments of approximately \$7,300 on the loan we took out to repair the pool area. Once the loan is paid off, we'll have that \$7,300 each year to build up our rainy day fund, or we can spend it on capital improvements.

We anticipate that if the assessments collected keep pace with inflation, we will be able to have our courts in pristine condition for the summer of 2007. If you have an opinion on this or any other matter regarding the administrative of your association, you can email any board member or stop in at our next meeting on June 12th.
