Message from the President

Our busiest social calendar ever was finalized at the Board Meeting in February. There is something for everyone in a neighborhood to be proud of. Please join us for the events that meet your schedule and interests. Additional events, such as Chili with the Bengals and the Halloween and Holiday Parties will be finalized soon.

The additional events, at minimal costs, are possible because of the expense controls and at the requests of your neighbors. We may be gradually moving towards a year round schedule of events, made possible with volunteers and interest. Consider donating some of your time to help enhance the quality of your Association.
