UPCOMING EVENTS

THANKS!!

• Over the winter, the SHRA Clubhouse has been revitalized with a fresh coat of paint on the ceiling and all the walls, along with the installation of a new-style of blinds on all the windows. Thanks to the new Clubhouse manager, **Willie Klum**, for the countless hours and extra effort put forth into getting our Clubhouse in tip top shape.

• The SHRA website continues to grow and become a more and more useful tool to our community. The site was set up and is managed and updated by **Frank Bachman**, Board Vice President. Frank has also spent countless hours to make our site one that we can be proud of. If you haven't been there, check it out. See if you can find your house in the satellite photo of our neighborhood.

Message from the President

Welcome to the neighborhood! We generally have about a dozen families move in each year, and many of you like living here and haven't even been to the pool area. For about three months, the pool can be, literally, the coolest part of the neighborhood. The water is clean, the lifeguards are strong, and your neighbors are in a good mood. There is no better place to be than the Strawberry Hill pool in the summertime. It is either not crowded and relaxing, or it is crowded and exciting. Relaxing and exciting are two of MY favorite things. We love our pools. They are the right size and depth for everyone. There is plenty of sunshine, plenty of shade, and plenty to do.

This year, we want to be sure that the benefit of our pool area is enjoyed by the people who pay for it. We believe that over time, non-residents have become regular visitors, and we also believe that with new apartments being built within walking distance of the pool, that we may get even more interest from non-members. We are hoping that we have your cooperation as we attempt to discourage non-residents from using the facilities.

—Ed Doherty
