May 12th Meeting Highlights:

- The Board voted and passed the tennis court repair work to be completed and not to exceed the budgeted \$1,750.
- The Board walked the grounds for Clean Up Day items. Focus will be on painting the Clubhouse, organizing the pool house and furniture, and cleaning the Clubhouse and pool bathrooms.
- Terry will call the landscape company to remove the pine tree near the Clubhouse that was uprooted.
- The outside security camera system will be installed before Clean Up Day.
- The Board will look into the potential for commercial cable in the Clubhouse for telephone service and TV.
- Discussed the potential to add a page to the website for related, but not sponsored or supported, neighborhood groups, such as Dinner Club, Bunco, etc., that our community members may be interested in participating. These would be groups specific to our neighborhood only.
- There are 6 of 9 "open memberships" still available for the 2008 season. Please contact Willie Klum if you know of someone who might want to join our Recreation Association for the year.
- Look for articles about SHRA in Landen Living and call Kathy Abrell if you would like something submitted.

Message from the President

School is just about out, graduations upon us, yard mowing, landscaping, gardening at its peak, and everyone's planning their summer vacations. We are starting to think of those 80 degree days that will be here soon. One great way to have fun is to spend time with family, friends, and neighbors at your SHRA pool this summer.

We are gearing up for opening on Memorial Day weekend. We completed our annual clean up day, which was a big success. A special thanks to Willie and Theresa Klum and Terry Maxwell for the coordination and organization of getting so much done in so little time. And a big thanks to all of you that volunteered your time and effort to maintain our awesome facilities. To finish the day, we had a great turnout for the Euchre/Farkel Tournament at the Clubhouse. Penny Hulefeld put a lot of work into that funfest. I believe, as well as it was attended, we will do it again!

As mentioned before, we have a new pool management company, Swim Safe, and new pool hours of 10 AM - 9 PM all summer long. Please be friendly and courteous to others at the pool, follow all rules and lifeguard instructions and be SAFE! Our enjoyment of such amenities is a privilege and we want everyone to enjoy the summertime fun. Look

for additional information coming soon on the End of School Party and "The Best 4th of July Party in Landen," plus other fun filled events.

I hope you have cleaned out your closets and attics to get ready for our community Garage Sale on May 31st. You have now received a flyer concerning this, compliments of Dave Vermette. Please contact him to register and participate.

Don't forget!! There are new signs posted stating **No Bike Riding, Roller Blading, or Skateboarding** on the Clubhouse patio, inside the pool fence, or on the tennis courts.

Anyone abusing the policy will be asked to abide by the rules or leave the premises. We have done this due to the detrimental effects it has on the areas, as well as danger associated with these activities. Please note that we have installed security cameras which will view all areas!

In closing, let's have a great summer season, and as always, contact myself or a Board member if you ever have a question.

Respectfully,
Bret Middleton, President
