- There are now 4 "open memberships" available for the 2010 season. Please contact Willie Klum if you know of someone who might want to join our Recreation Association for the year.
- The Tennis Court repair work is now complete. Be sure to check out the new blue and green colors! 
- SwimSafe, our pool management company, has one more session for swim lessons - July 5th - 9th. Please take advantage of this opportunity for your children who are learning to swim!
- Social events continue to be in jeopardy for 2010. There has been an urgent need for volunteers to coordinate the events. If you are interested in coordinating any of the events (one or more), please contact one of the Board members!

Message from the President

The summer at our recreational facility kicked off very well with a successful Clean Up Day event, the Memorial weekend opening of our pool, and the End of School Party for the kids. Thank you to everyone who volunteered to assist with these events!!! Your help is greatly appreciated!!

However, due to the lack of volunteers to organize our other social events, we have been forced to cancel our Annual July 4th Party. This is the first time in 25+ years that this event has had to be cancelled. The Board wanted to give everyone advance notice of this cancellation so

that you and your family can make alternative plans for this special holiday.

As you can see, volunteerism is a very important factor in the success and enjoyment of our recreational association. It is the social events that provide an alternative enjoyment of our facilities. For other social events, if residents do not volunteer to organize them, the Board will be forced to cancel additional events. Notice will be given through this Newsletter and the SHRA Website (www.landenshra.com).

Respectfully submitted,
Bret Middleton
